

Schools community PUBLIC MEETING

SCHOOL FUNDING UNDER THREAT

If present Government plans are allowed to go ahead, spending on England's schools will be cut by £3 billion by 2019, with the result that 99% of schools nationally will have their funding reduced.

In Islington, these cuts will amount to nearly £15 million – or more than £700 per pupil – leading to fewer teachers and support staff, larger classes, fewer subject choices and fewer after-school activities. (Hackney, next door, is facing cuts of £25 million!) They are simply not sustainable.

Please come along to this meeting to hear more about what these cuts will mean for Islington's schools and discuss how the local community should respond to them.

7pm Wednesday 24th May

at Newington
Green Primary
School
Matthias Road
London N16 8NP

Confirmed speakers:

- **Abi Misselbrook-Lovejoy** (Head teacher, Newington Green School)
- **Richard Watts** (Leader, Islington Council)
- **Madeleine Holt** (Rescue Our Schools)
- **Christine Blower** (Former General Secretary, NUT)

Meeting called by Islington NUT
(nut@islingonteachers.org.uk) in
partnership with Newington Green School
